38	A/C unit	P		<b>N/A = NOT APPLICABLE</b>	

**PASS**

**This vehicle is deemed fit to operate on BP business based on its roadworthiness condition at the time of conducting this inspection. It is the sole responsibility of the contractor to maintain the vehicle's fitness throughout the validity of the issued sticker. This fitness certificate doesn't waive the need for a pre-trip inspection & routine mechanical inspections which are the sole responsibility of the contractor.**

Part 2: Defect Information - Vehicle Safety Inspection Report - Registration No: 6488 HK

**Date of Inspection:**

Sheet 1 of 1

Attach to part 1 of the safety inspection report

In check number column use checklist number from part 1

Repairs to be signed off by repair workshop supervisor

**VOR** denotes Vehicle Off Road & not to be used until fault's are rectified

If necessary continue on a second Part 2 page and attach to this report.

I confirm that the above defects have been rectified & the vehicle is now in a roadworthy condition
